

2015 Street Scene Photography Contest Image Preparation Guidelines

Image Size

Photo contest images are judged on computer screens, which have a maximum resolution of 72dpi.

Save COPIES of your photographs as low-resolution .jpg image files no larger than 500KB at 72 dpi. For vertical images, make the height (the longer side) 1040 pixels or for horizontal images, make the width (the longer side) 1040 pixels.

Please retain a high-resolution version of your photograph(s) in your personal files. You will need to have a higher-resolution image on hand, a minimum of 300 dpi in case your photograph is published in CCRA newsletter.
