

## COMMUNICATIONS REPORT

4/30/21

Communication facilitators continue to work together to keep the lines of communication open to and from our members. We continue to get positive feedback from both This Week as well as the CCQ. We attribute this to the quality of the writing, a better format, and a focus that includes greater Center City, vs. only happenings in our catchment area.

Focus has been on promoting the auction and is now switching to the Annual Meeting, for which we have an attractive speaker, Josh Shapiro, PA Attorney General. We will also be promoting the changes in the bylaws and elections of our Board of Directors.

We have also submitted a budget request to the Finance Committee for consideration. We hope to increase our outreach with a minimal amount of funds.
